Good afternoon Daphne,

I hope you are doing well. I filed the Affidavit of Publication in the above referenced docket on November 10, 2021. It was apparently rejected because the affidavit had an account number on it. Mr. Elliott did not notice the rejection language at the top of the Accepted for Processing Notice and therefore we did not refile until today. I was filing another document in this docket and realized that the affidavit was not listed in DMS file. I'm not sure why an Accepted for Processing would be sent when the document was rejected. Please note that I refiled the same document today that I filed on November 10, except for the redaction on the Affidavit and would like the affidavit to be shown on DMS as filed November 10. If this is not acceptable please let me know. Thank you in advance for your assistance.

Best regards,
